

**Extra Credit Critique Rubric**

You may submit **one** (1) **critique per month** for extra credit. The critique is worth up to 10 points, based upon how completely the following criteria are followed.

Note: You must attach either the original article or a copy of the article.

1. Title of the article.
2. The names of all the authors.
3. Who published the article? (If you found it on a web site, give the complete web address.
4. What was studied, and what was the method used in the study?
5. What did the authors find in their study?  
(What were the results of the study?)
6. What conclusions did the authors make?
7. Do you think they proved their hypothesis?  
Why?
8. What did you learn from this article?
